

Complete an
Ages and Stages Developmental
Screening in November and be
entered to win one of
four prizes !

What is an ASQ?

An ASQ is a series of questions that look at how children are doing in important areas, such as communication, fine motor, gross motor, problem-solving and personal emotional well being. ASQ's can help identify your child's strengths as well as any areas where your child may need support.

As a parent or caregiver, ***you are the best source*** of information about your child. ASQ's take about 15 minutes to complete and are available for children as young as 1 month up to 5 1/2 years old.

For more information or to make arrangements to get your ASQ please call 780-398-2809 or email tammy.kuefler@thorhildcounty.com

ASQ screens must be completed and returned prior to November 24th
